## EXCHANGES

To exchange an item for the same style in a different size or color, call us at 1-888-784-8571.

## RETURNS

**Step 1:**

Enter the number of items being returned into the RETURN QTY column in the table above. Do this for each style you are returning.

**Step 2:**

For each style you are returning, enter the numeric code that describes the reason for your return into the REASON CODE column in the table above. Look to the right for a list of reason codes.

**Step 3:**

Package and seal your return items securely. Affix the orange address label (included in your order shipment) to the package. Be sure that no other tracking or shipping labels are visible on your package. We recommend that you insure your package. Wrangler is not responsible for lost packages. Refunds are made in the form of original payment. A refund for your items cannot be made at retail stores.

**Step 4:**

You will receive a refund within 7 business days of Wrangler receiving your package. Note that original shipping charges are not refunded.
